

CRN Family Conference Assistance is Available through Scholarship Program!

Think you can't afford to attend the 2023 CRN Family Conference? CRN understands that finances can be tight in the current economy. Therefore, we are happy to offer a limited number of Conference Scholarships to help families/individuals attend the 2023 CRN Family Conference.

Conference Scholarships are open to individuals and families affected by Cystinosis who are attending the conference. Scholarships are limited to one per household.

Conference Scholarships to include:

- One room at the hotel for up to three nights of the conference
- Waiver of registration fee
- Meals included for all attendees:
 - Thursday - Dinner
 - Friday - Breakfast and lunch
 - Saturday - Breakfast, lunch and dinner
- Valet parking for those families driving to the Conference

CRN has established a formalized application process that considers the following criteria:

- Prior conference attendance
- In 1 or 2 paragraphs describe what it would mean to you to attend the CRN Conference

The funds provided are awarded through the generosity of our donors. Therefore, for the success of the conference, the participation of scholarship awardees in the sessions is critically important.

Deadline for submitting application materials is **May 10, 2023** and should be emailed to Marybeth Krummenacker, mkrummenacker@cystinosis.org or mailed to:

CRN Scholarship Committee
