

Cystinosis Research Network 2023 Conference Poster Session Requirements

- The Poster Session will take place during the conference proceedings beginning on Thursday, July 13 and to remain on display for the entirety of the event.. This session will showcase a mix of science, medicine, industry and advocacy group topics to provide an interactive experience for both family and professional attendees. Researchers, clinicians, industry and advocacy representatives will be invited to exhibit their latest research findings, treatment breakthroughs, and advocacy group updates.
- Research Poster Presenters are asked to provide two hand-outs describing their work: one is to be a brief discussion of the exhibit written in layman's terms; the second, a more detailed, technical discussion for the attending professionals. These hand-outs are to be available at the poster exhibit for the benefit of all those attending this session.
- Poster session abstracts may be submitted to Christy Greeley via email to cgreeley@cystinosis.org no later than June 5, 2023. Questions may be submitted via email or by telephone at (847) 204-6004.
- Posters should be no larger than 4' x 4' and will be displayed on easels.
- All costs associated with creation of the poster will be the responsibility of the entrants.
- Entrants must give permission for poster abstracts to be published with conference materials, as well as posted on the CRN website (www.cystinosis.org).
- Space is limited, and the CRN Conference Planning Committee reserves the right to reject any submitted abstract.
