Exciting Opportunity: We invite you to take part in a market research interview!

We invite you to take part in brief market research and share your valuable insights.

We are conducting in-person interviews at a location of your choosing lasting no more than 20 minutes to gather your feedback on product administration. Our goal is to make participation in this interview as easy as possible.

Participant Criteria:

- Patients who are currently undergoing treatment with Cystadrops (cysteamine ophthalmic solution) 0.37% or those who had prior experience with Cystadrops. Patients under 18 years old must be accompanied by a Parent or Legal Guardian.
- Reside in the New York City, Philadelphia Metro Area, or New Jersey.

Benefits for Participants:

As a token of appreciation, interview participants will receive \$75.00 for their participation. (If the patient is a minor, the check will be issued to Parent's name.)

If you're interested in being part of this market research, please contact us at fieldoperations@healogix.com or text/call at 267-733-2101 by September 11, 2023. Meeting the participant criteria is necessary for participation. Additional details about how the survey will be conducted will be provided at that time.

The market research is sponsored by Recordati Rare Diseases. Research will be conducted by Healogix, LLC, an independent market research agency specializing exclusively in healthcare. **Your name and identifying information will be anonymous and not be provided to Recordati Rare Diseases.** The study is for market research purposes only.

Your feedback matters! Thank you for your consideration!
